***“AMF again brings the best to you. Improve the performance and reliability of your Glen 340 Quart Mixer with a quality AMF upgrade today.”***

- ▼ Bring Your Mixer Up To Date With Our New Standard Mixer Components
- ▼ Improve The Safety And Compliance Of Your Mixer
- ▼ More Control For Precise Mixing
- ▼ New Tach And Inverter Kits Provide Improved Functionality And Analysis Of System

## Glen 340 Quart Mixer Kits

### Explosion Proof Tachometer Kit

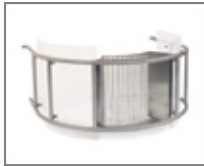

- Replaces the original mechanical type tachometer
- Solid State Components
- Modular design permits easy installation
- Provides the operator with actual, real-time, beater revolution speeds
- Eliminates the need for stocking costly replacement parts

### Inverter Conversion Kit

- New Toshiba Inverter Drive
- Replaces the Reeves Variable Speed Drive Unit on early model mixers
- Provides variable speed adjustment via the Potentiometer and A.C. Inverter
- Includes a new stainless steel enclosure with electricals pre-mounted & wired
- Digital timer for speed setpoint and mix duration control with inhibit function allowing timing operation to be stopped without resetting the timed value or output
- Eliminates the need for stocking costly variable speed parts
- Provides analysis for the system

### Mixer Bowl Guard Kit

- New stainless steel guard with limit switch
- Guard moves vertically with mixer bowl
- Stainless Steel construction
- Protects from debris exiting and entering bowl area
- A must have for safety

### Exhaust Hood Kit

- Raises and lowers automatically
- Greatly improves safety
- Decreases liability
- Improves sanitation

AMF offers many accessories and options to upgrade your current mixer and improve it's performance, such as:

- Cookie hook with rubber edge
- Four Winged Beaters
- Flat Beaters
- Wire Whips
- Replacement Dollies
- Eurodrive AC Gear Motor Upgrades
- Complete Rebuilt Mixer Heads
